MONIN®
— ULTIMATE TASTE —
ULTIMATE CREATIVITY

Ultimate **Support** for our **Communities**

Children of Restaurant Employees

CORE™ Gives ~ www.coregives.org

Children of Restaurant Employees, Ltd., (CORE™) is a 501(C)3 nonprofit organization

- » Provides special support to children going through life-threatening medical conditions
- » Involvement to spread the CORE™ Gives message through national tradeshows, promotions and sponsorships

Grounds for Health ~ www.groundsforhealth.org

An international nonprofit organization working with coffee-growing communities

- » Mission is to establish sustainable prevention programs for cervical cancer - #1 killer of women in coffee regions
- » Partnering to increase responsiveness with dollar for dollar matching funds program

We bring women's healthcare to coffee growing communities.

Conserving Resources,
Preventing Waste

Environmental Endeavors

- » Wastewater treatment and control to eliminate city water contamination
- » Actively recycling cardboard materials, wooden pallets, plastic drums and totes, fluorescent light bulbs and printer cartridges
- » All Monin packaging boxes and bottles are made with recycled materials and are 100% recyclable

Syrup to Bees

- » Innovative recycling initiative for waste syrup
- » Syrups that cannot be used are sent to a Florida beekeeper to feed Queen bees
- » Combats Colony Collapse Disorder and continues efforts in pollination of our world's crops
