Tiger Spice Chai®

Celebrating 20 years with our signature blend

It seems like only yesterday when we crafted Tiger Spice Chai® in our very own kitchen in San Francisco. Today, it remains our signature blend and is enjoyed in over 45 countries around the world. We continue to use the highest quality ingredients - daring to improve on perfection year after year - as we connect a delicate balance of tea, organic cardamom, cloves, cinnamon, and ginger, with the refined sweetness of honey and natural cane sugar. Tiger Spice Chai® and all of the David Rio Endangered Species chai line is named after endangered, vulnerable, or at-risk animals, reflecting our philanthropic focus on animal welfare. We demonstrate our strong commitment by donating a percentage of our profits from annual sales of Tiger Spice Chai® to IFAW (International Fund for Animal Welfare) to protect endangered tigers and elephants around the world. David Rio continues to be a family-owned business, crafting and delivering America's Premier Chai since 1996.

TIGER SPICE CHAI®

Our signature best-selling chai is a creamy, rich tasting black tea blend enlivened with the exotic bite of freshly ground organic spices.

TIGER SPICE CHAI® DECAFFEINATED

This decaffeinated version of our signature Tiger Spice Chai® is made with premium decaffeinated black tea and can be served any time of day.

ELEPHANT VANILLA™

As our very first chai flavor, this variety remains as popular as ever. The premium Madagascar vanilla used is known for its pure, clean flavor.

TORTOISE GREEN TEA™

Our choice of green tea is carefully balanced with the spiciness of the cinnamon and cardamom, allowing the true green tea essence to shine through.

ORCA SPICE™ SUGAR-FREE

Our sugar-free, low-calorie version of chai has the same pronounced flavor as our signature Tiger Spice Chai® with the sugar replaced by Splenda® (sucralose).

FLAMINGO VANILLA™ DECAF SUGAR-FREE

This sugar-free/decaf version of our Elephant Vanilla™ chai uses decaffeinated black tea with the sugar replaced by Splenda® (sucralose).

TOUCAN MANGO™

A wonderful addition to our chai family, this tropical mixture is the perfect balance of black tea and accents of tropical mango and spices. This chai is most refreshing and enjoyed when ice blended!
