

# Flavor Descriptions- Conventional

12.3.20

**FRUIT & NUT:** Our most popular flavor. Features premium California almonds, walnuts, sunflower seeds, cranberries, raisins and rich wild blueberries. This antioxidant super food is a vibrant, protein-packed way to power your morning, hike or after-workout snack attack.

**APPLE CRANBERRY:** Brighten your day with ripe Granny Smith apples, cranberries, raisins and the rich, warm taste of cinnamon. Among our fan favorites, tart meets sweet in this mouth watering blend. Nut free.

**MAPLE PECAN:** Wrapped in a ribbon of rich New England maple syrup and fire roasted pecans, we've given this classic a new twist. All natural ingredients and 9G of protein make this the better for you breakfast on the get up and go.

**TRIPLE BERRY:** A bold, juicy blend of antioxidant-rich strawberries, raspberries, blackberries and cranberries. Nutritiously packed with 9G protein, feeling good never tasted so great. Nut free.

**VANILLA ALMOND:** We lovingly blend California roasted almonds, flax and rich Bourbon vanilla with our never mushy oats for this warm, delicious start to your day. Nutritiously packed with 10G of protein and 5G fiber to keep you fuller longer.

**UNSWEETENED BLUEBERRY APPLE:** A simply delicious blend of only five all-natural ingredients: wild blueberries, Granny Smith apples, flax, chia seeds and our never mushy oats. That's it! Eating clean never tasted so satisfying.
