INTRODUCING NEW MARRON (CHESTNUT) SYRUP

Torani's Marron (Chestnut) Syrup captures the delicious flavor of sugar glazed chestnuts roasted to perfection – also known as marron glacé. Hearty chestnuts are transformed into indulgent confections through a meticulous glazing process, perfected in 16th century France.

To achieve the caramelized deliciousness of the marron glacé, chestnuts are first harvested in autumn, roasted and then slowly glazed and candied for months in order to make their seasonal debut during the Christmas holidays. A decadent treat, Torani Marron (Chestnut) Syrup will give rich, nutty sweetness to your beverages.
