# ICED COFFEES

Brew up additional beverage sales by adding flavored iced coffee to your menu year-round. The refreshing drink is quickly becoming as in-demand as hot brewed coffee—and the popularity carries throughout the seasons, with sales soaring high each summer. With a variety of flavors, Torani iced coffee is just what your customers are looking for.

- Iced coffee is charting impressive growth year-round\*
- Iced coffees are the second most frequently sold drink product after brewed coffees\*
- Americans drink more than 600 million servings of iced coffee each year\*
