

CUTLERY

Serve up some
GREEN
with a side of karma.

Serving more options

Cutlery from Eco-Products® is made from renewable resources or recycled content. Our forks, spoons and knives strive to set the standard by providing single use products that meet performance and environmental needs for everyone.

GREENSTRIPE® by Eco-Products®

Plantware® Compostable Cutlery

Made from 100% renewable resources

Made with PLA, a plant-based plastic

Meets ASTM standards for compostability, BPI certified

Crystallized formulation adds strength and heat tolerance

Handles are now 95% stronger and fork tines are 20% stronger
