

HOT CUP ACCESSORIES

Put a bow on your  
**GREEN**  
hot cup package.

# Harmony, at last

Gone are the days of hard-to-sort lids, mismatched environmental messaging and unsustainable materials. The **EcoLid® Hot Cup Lids** and **EcoGrip®** are designed to work in harmony with two styles of Eco-Products® hot cups. Match the original **EcoLid®** and **EcoGrip®** with our renewable/compostable hot cups. Use the world's first **EcoLid®25** and **EcoGrip®** with our recycled content cups to complete your hot cup package. Make your life easier, simpler and a little more green with these matching sets.
