

RECYCLED GRAB 'N' GO

IF YOU RECYCLE

odds are you've seen this
container before.

Serving up some déjà vu

Recycled Premium Take-Out Containers and **100% Recycled Content Cutlery** are a great option when commercial composting is not available. Both products are made from 100% post-consumer recycled plastic saving resources, diverting waste from landfills, and giving you an attractive, sustainable option.

BLUESTRIPE™ by Eco-Products®

Premium Take-Out Containers

Made from 100% post-consumer recycled plastic bottles

Clear lid allows foods to be on display

Secure lid fit reduces risk of leaking

Square shape allows for more effective use of display space

Writing panel for food messaging or instructions

For use with hot or cold foods
