

SUGARCANE GRAB 'N' GO

REDEMPTION

to go.

PRODUCTS®

Expect more and sacrifice nothing

Here's some food for thought: polystyrene to-go containers are made from precious oil and usually end up in landfills. **Sugarcane Clamshells and Portion Cups** from Eco-Products® are not only strong, grease and cut resistant alternatives to plastic or polystyrene, they're also BPI certified compostable and made from a 100% reclaimed and rapidly renewable material.
